

#350

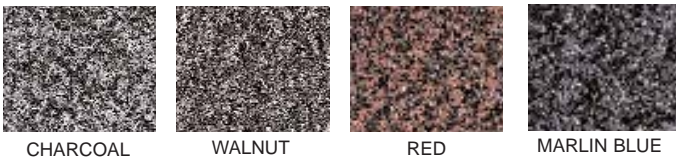

Performance Collection

The most efficient and innovative wiper there is; Dust-Star™ contributes to improving the air quality and cleanliness of your facility!

USES

- Heavy traffic areas
- Hospitals
- Schools
- Factories
- Restaurants
- Etc.

CHARCOAL

WALNUT

RED

MARLIN BLUE

BENEFITS

- Unique microfiber/olefin blend with incredible dust retention properties
- Positively charged microfibers will attract hair, lint, dust and more from polluting the air
- Holds close to three times more liquid than our standard Rely-On™ Olefin wiper

“The use of Microfiber products greatly ensures better air quality because these fibers are able to accumulate and absorb more particles of dirt and bacteria than any other known product.”

Washington State University, Extension Energy Program newsletter, Indoor Air Quality in Northwest Schools, Winter 2007, by Chapin Henry, Microfiber products
