

Super Soaker™ Family

Keep floors dry and clean with the best matting in the industry.

This matting family is constructed of an ultra-dense polypropylene, Needle-Punched top fiber that dries quickly and maintains its vivid color. Select these crush-resistant mats with either a molded rubber edging or fabric extended to the edge of the mat for a more upscale look.

Either edging configuration, rubber or fabric, retains water and dirt keeping the surrounding floor clean and dry. The 100% Nitrile Rubber nibbed backing makes this Matting Family impervious to most oils and grease while anchoring the mats to the floor. This Matting Family is perfect for heavy, multi-directional traffic.

SUPER SOAKER™ FAN

This elegantly-styled high-performance mat will enhance entrances with its beauty while working to keep the dirt and moisture at the door. Super Soaker Fan is available with fabric borders only.

SIZES FOR STANDARD AND PREMIUM COLORS

SINGLE FAN END

34" x 65" (Approx. 3' x 5.4')	72" x 179" (Approx. 6' x 14.8')
