www.CrownMats.com

Crown Matting Technologies' confidence in the design of our matting products and our ability to manufacture matting solutions with world-class quality and craftsmanship allows us to offer our **Total Confidence Lifetime Warranty**.

Our Total Confidence Lifetime Warranty means we stand behind our matting products for the lifespan of the product. Don't be fooled. No mat is indestructible. Much like any flooring product, the lifespan of matting varies based on the product and environment/foot traffic patterns.

If any Crown matting product does not perform under the appropriate mat application/environment using the proper care outlined in our Clean & Care Instructions, we promise to replace it.

If a problem with a product develops during the warranty period, please contact us at sales@crownmats.com or call (800) 628-5463.

Please review our product lifespan table for more information.

Sincerely,

A handwritten signature in black ink, appearing to read 'Josh. Dusseau'.
