

Workers Delight Deck Plate Cleanroom Series

#538

Dry Area

Anti-Fatigue

Performance Rating ★★★★★

FEATURES

- Cleanroom compatible construction with low particulate emissions
- Deck plate surface permanently bonded to Zedlan™ foam with 3x more bounce for maximum comfort
- Durable, slip-resistant surface designed to withstand cart traffic

SPECIFICATIONS

Standard Sizes: 2'x3', 3'x5', 3'x12', 4'x6', 4'x12'

Thickness: 9/16"

Color: Black, Black Yellow, Gray
